Form

Application for Activities related to Flight Simulator Training Devices

1 Applicant

Data protection: Personal data included in the application related to the "Application for activities related to Flight Simulator Training Devices" is processed by EASA pursuant to Regulation (EC) No 452001 on the protection of individuals with regard to the processing of personal data by the Community institutions and bodies and on the free movement of such data. It will be processed solely for the purposes of the performance, management and follow-up of the Application by the Agency, without prejudice to possible transmission to external audit services, to the Court of Auditors, to the European Anti-Fraud Office (OLAF) for the purposes of safeguarding the financial interests of the European Union. The Applicant shall have the right of access to his personal data and the right to rectify any such data that is inaccurate or incomplete. Should the Applicant have any queries concerning the processing of his personal data, he shall address them to the Agency at the following address: dsac@easa.europa.eu. The Applicant shall have right of recourse at any time to the European Data Protection Supervisor.
